- A. Any person or organization intending to engage or to cause persons to engage in the activity of door-to-door solicitation, or peddling, or street sales, as defined in this Chapter, prior to commencing such activity shall obtain a permit from the Borough Administrative Offices. In the case of an organization, each person engaging in door-to-door solicitation or peddling shall be required to obtain an individual permit; the organization may not simply obtain one permit applicable to all persons engaging in door-to-door solicitation or peddling on its behalf. Such permit or permits shall be issued only after the person or persons seeking to obtain the permit shall have provided on the application form appropriate information as to the identities and current addresses of all persons that shall be engaged as door-to-door solicitors or peddlers, which information shall be provided under the penalty of law as provided in 18 Pa. C.S.A. §4904 and shall have completed such registration. In addition, the applicant shall execute an acknowledgment of receipt of the terms of Section 6 of this Chapter with respect to private “No Solicitors” or “No Solicitation” or similar signs and shall provide notice to the Borough Administrative Offices of the approximate neighborhoods and locations in which the activity is to take place.

- D. The application process shall be performed by the Administrative Offices and staff of the Borough. As part of the application process, the Borough Police shall obtain the applicant's criminal history/record from the Pennsylvania State Police. The applicant shall pay a fee which shall represent only the cost to the Borough Police of obtaining the applicant's criminal history/record. Alternatively, the applicant may obtain his or her criminal history/record directly from the Pennsylvania State Police at his/her own expense and present it to the Borough Administrative Offices as part of the application process, provided it is dated within ninety (90) days of the permit application. If the applicant obtains his or her criminal history/record directly from the Pennsylvania State Police and presents it to the Borough Administrative Offices as part of the application process, and it is dated within ninety (90) days of the permit application, there shall be no permit fee.
- E. The permit fee, which represents only the cost to the Borough of obtaining an applicant's criminal history/record shall be made available upon request by the applicant. The Borough shall respond to this request within a reasonable amount of time.
- F. The terms of this Section 2 shall not apply to:
 - (1) Boys or girls under the age of 18 years who take orders for and deliver newspapers, greeting cards, candy and the like, or who represent Scouting America, the Girl Scouts or similar organizations such as non-profit organizations for minors related to sports or school or community causes or for taking orders for the delivery of cookies and the like.
