

RESOLUTION NO: 2022 - 04

**RESOLUTION OF THE BOROUGH OF LANGHORNE MANOR, BUCKS COUNTY,
PENNSYLVANIA, CONCERNING THE TRANSPORTATION IMPROVEMENT
PROJECT: US 1 SECTION RC3**

WHEREAS, Langhorne Manor Borough supports the Route 1 reconstruction project that was presented at the Public Officials Meeting on November 22, 2021; and

WHEREAS, Langhorne Manor Borough understands while through-traffic will decrease, localized traffic may increase. Langhorne Manor Borough supports mitigation efforts, possibly including but not limited to, signage, clear markings delineating walk and bike paths as well as speed humps along Gillam and Highland Avenues to decrease speeds at the on ramp of the proposed interchange; and

WHEREAS, Langhorne Manor Borough supports the increased pedestrian and bicycle paths along West Interchange Road and Pine Street connecting Langhorne Manor Borough to Middletown Township. However, Langhorne Manor Borough does not support the proposed installation of the Route 1 pedestrian walkway connecting North Hill Avenue and South Hill Avenue as it increases Langhorne Manor Borough's risk and responsibility and increases the expropriation of residents' property. We also support the addition of a pedestrian walkway in place of the access lanes that will be removed as long as there are proper safety measures and takes into account the Borough's MS4 requirements.

WHEREAS, Langhorne Manor Borough supports the installation of the round-about at Highland Avenue and Bellevue Avenue but urges PennDOT to minimize the property expropriation as part of that installation; and

WHEREAS, Council has passed this resolution based upon previous PennDOT representations that PennDOT will hold public informational meetings/sessions discussing the scope and impact of this project on the residents of Langhorne Manor Borough; and

NOW THEREFORE, BE IT RESOLVED that:

Langhorne Manor Borough urges PennDOT to consider the Borough's requests.

**RESOLUTION adopted the 8th day of February, 2022.
